

The Learning Commons is temporarily moving Online! Meet with a tutor one-on-one from the comfort of your home using your cell phone or personal computer! Discussion boards are also available for math, chemistry/biology, and writing.

To Get Started:

- Open the link: <https://learn.maricopa.edu/enroll/73HLJW>
- Sign in to Canvas with your Maricopa login information
- Click the blue "Enroll in Course" button

- Click on the blue "Go to the Course" button

We have Free Online Math and Writing assistance available:

Mon-Thurs 8:30am-8pm

Fri 8:30am-12pm

Tutoring for other subjects such as chemistry, biology, anatomy & physiology, physics, statistics and upper level math courses may vary according to availability.

For additional online assistance outside of our hours, login to [Brainfuse](#) using the Online Tutoring tab from your course for Live Help or Writing Lab submissions.

Happy studying!
